

About Us

A registered charity since 1980, Victoria Hospice has provided end-of-life care focused on palliative treatment. Our nurses, counsellors, spiritual caregivers, physicians and trained volunteers provide comfort for the patient and support for the family, rather than a cure for progressive and life-limiting illness.

The Development Office at Victoria Hospice will be pleased to assist you with your planned giving options. All enquiries are kept strictly confidential.

To learn more about how you can make a difference to the future of Victoria Hospice, please contact:

Natasha Benn, Planned Giving Officer

A Gift for the Future

By including Victoria Hospice in your Will or estate plan, you can make a significant impact to support end-of-life care in your community.

Planned giving, also referred to as legacy giving, can provide considerable financial support to Victoria Hospice and allow you to achieve your philanthropic objectives. It can also offer significant tax benefits and allows you, as the donor, to maintain financial security during your lifetime.

Leave
your Legacy
to support
Victoria Hospice.

Leave *your* Legacy to Victoria Hospice

Bequests

A charitable bequest in your Will is often the most realistic and simple option when leaving a legacy to Victoria Hospice. You can name Victoria Hospice as a beneficiary in your Will to receive the residue of your estate, a portion thereof, a specific cash amount, or a particular asset such as artwork.

Shares

If you own significantly appreciated shares you may wish to consider this option as a gift to Victoria Hospice. A donation of publicly listed securities – stocks, bonds, mutual funds or shares benefits Victoria Hospice the same way a gift of cash will and provides you with considerable tax benefits.

Life Insurance

A gift of life insurance can be a small investment by a donor that yields large benefits to Victoria Hospice. Donors have several options, including assigning an existing policy or establishing a new policy naming Victoria Hospice as the beneficiary and owner. You will receive the tax benefits for premium payments made during your lifetime. You can also designate Victoria Hospice as a beneficiary under your life insurance policy and your estate will receive the tax benefit.

RRSP and RRIF

By naming Victoria Hospice as the beneficiary of your RRSP or RRIF, donors can eliminate a significant portion of income tax on the final tax return, thereby benefitting your estate and other named beneficiaries.

Gifts in Kind

Works of art, collectibles, equipment, or other items can be donated to Victoria Hospice. We can sell the items and use the cash to help support the needs of Victoria Hospice, or use the items to enhance the surroundings on the unit.

Charitable Gift Annuities

Annuities are an attractive alternative to those wishing to make a substantial gift to support Victoria Hospice now and also provide the donor with guaranteed income for life. You receive annual or monthly income for life, and the portion that is donated to Victoria Hospice will be eligible for a charitable tax receipt.

Charitable Remainder Trusts

If you have assets that you would like to donate to Victoria Hospice but require income during your lifetime, a charitable trust arrangement may be the answer. You receive ongoing income during your lifetime and a tax receipt that you can use today.

Our Mission

To enhance the quality of life for those facing advancing illness, death and bereavement through skilled and compassionate care, education, research and advocacy.

Our Vision

Quality end-of-life care for all.
